## FINANCIAL POLICY

Thank you for choosing Foot & Ankle Associates and Fast Rehab as your provider. Our objective is to provide you with the highest quality care in the most cost-effective manner. Your understanding of our financial policies is an essential element of your care and treatment. If you have medical insurance coverage, we will file the insurance claims on your behalf as a courtesy to you. If you have any questions, please do not hesitate to speak with our billing office.

**MEDICARE PATIENTS:** As a participating provider of Medicare Plan B (Physician Services), Foot & Ankle Associates and Fast Rehab will only bill you for your Medicare coinsurance, deductible and any services rendered but not covered by Medicare. All other services will be billed directly to Medicare. **You will be required to pay the co-pay and deductibles for authorized services at the time of service.**

**NOTE:** You will be informed of services not covered by Medicare prior to these services being rendered. Your signature upon the appropriate Medicare Waiver form represents your authorization for the physician to perform these services and your acceptance of the financial responsibility for these services.

If you have Medicare Part A only, then the services you will receive from our practice will not be covered by Medicare.

**COMMERCIAL INSURANCE PATIENTS:** Remember that your insurance contract is between you and your insurer. If your insurance company pays only part of your bill or rejects your claim, you are financially responsible for the balance and are to pay it upon receipt of your statement. **You will be required to pay the co-pay and deductibles for authorized services at the time of service.**

**HMO/MANAGED CARE INSURANCE PATIENTS:** Many HMO/Managed Care plans require that you obtain a referral to receive care from a specialist. **It is your responsibility for obtaining this referral from your primary care physician if required by your insurance.** Unauthorized services will be the financial responsibility of the patient. **You will be required to pay the co-pay and any deductibles for authorized services at the time of service.**

Foot & Ankle Associates and Fast Rehab will attempt to verify benefits for some specialized services; however, you remain responsible for charges for all service rendered, deemed non covered, or denied for any reason. **You must inform the office of all insurance changes and authorization/referral requirements prior to being seen. In the event, the office is not informed, you will be responsible for any charges denied by your insurance.**

**PATIENT WITHOUT INSURANCE COVERAGE:** Patients without insurance are required to pay for all services related to their visit in full at the time of service. Ingrown toenail procedures will require a \$295 deposit prior to being seen. All other office visits will require a \$175 deposit prior to being seen. Any other services provided such as x-rays, durable medical equipment, over the counter items, etc. will be payable upon checkout.

Past due accounts are subject to collection proceedings. All costs incurred including, but not limited to, collection fees, attorney fees and court fees shall be your responsibility in addition to the balance due to the office.

**There will be a charge of \$25 for any FMLA paperwork, Disability Forms or Employer Requests for Leave of Absence Forms to be completed. Please allow 5-7 business days for completion of paperwork.**
